

## Invitation to Copenhagen Cup 2023

Please join us for the junior tournament in Denmark on May 27th-28st 2023 in Copenhagen. This tournament will focus 100% on giving the kids a great experience that they'll remember for a long time. It's all about getting some international experience, relationships and having fun.

### Rules

- The tournament is U15 only. This will allow us to focus on the kids and make sure they all have a great experience. Our definition of U15 is everybody who is under 15 years old. So if you have players that are 11 or 12 years old then they are welcome to join too.
- It can be difficult to find a U15 goalie, so goalies are exempted from the U15 rule, but don't bring your senior national team goalie, please 😊
- We'll follow boys rules, but girls are very welcome to mix in on a team too
- We'll play "Olympic Sixes, 6v6" on a grass field. If two teams agree they are allowed to adjust the player count in their game. Fx playing 8v8 if they have a big roster.
- Teams are allowed to mark youngsters (U12) with a "no contact" pennie. Instruct your players to not body- or stick-check "no contact" players. This is to allow everybody to have a good experience.

### Accommodation and Transportation

Hostels are available from around 45 euro. You can try AirBnb or one of the following hostels

<https://danhostelcopenhagencity.dk>  
<https://www.steelhousecopenhagen.com>

<https://www.wakeupcopenhagen.dk>  
<https://www.cabinn.com/en/hotels/>

When you know where to stay please inform us, and we'll get you instructions on how to get there from the airport and how to buy tickets for public transportation.

### Fees

There is no tournament fee.

### Additional information

- We hope to see 6 teams and set a limit of 8 teams. Saturday will be round robin-games and Sunday will be placement games and finals. Games will be kept short to allow all teams to play each other and avoid high scoring margins
- We'll have dedicated referees and score keepers, so you don't have to provide referees.
- Parents are very welcome, and be sure to instruct everybody to bring a positive spirit. Everybody are here to have a good time
